STATEMENT BY MacFARLAND.

Relations. New York, Oct. 30 .- The unhappy domestic relations of Allison MacFarland and the wife he is accused of murder ing were described in a written state

"For about five years my wife and myself have been considering a separation which we realized should be inevitable. Neither of us could enter into pleasures or pursuits of the other. We did not consider either of us at fault; were hadly mismated; we lived our lives largely apart. My wife was in Maine a great part of the time. We have not lived together as man and wife tor more than two years. We reached an agreement this summer on a divorce question, and there remained nothing to prevent a speedy accomplishment. Our hardship on myself than it was on my wife. She was much better contented

in Maine as long as she had enough money. I thought she was entitled to another chance and a new deal as well Rome, Oct. 30.—The pope will create as myself. Her instincts were for peace of the things as I had them or going back until things were more prosperous,
